

# EPISODE 8: EXPOSED

## HEBREWS 4:12-13

### CONTEXT

In this episode, we will look at the design of God's Word. God's Word has a way of revealing our sinfulness while showing us the way to our deliverance. Taking in God's Word doesn't always feel good. But when we allow the Holy Spirit to do his work, it makes us more like Christ, which is God's will for our lives. Let's look at how God's Word is designed to effect change in our lives.

#### The Design of God's Word

- i. What does God's Word do?
  - a) God's Word is designed to \_\_\_\_\_ (Hebrews 4:12a; Psalm 119:89)

#### The God Who Sees
